

Environment And Health Administration Stockholm City

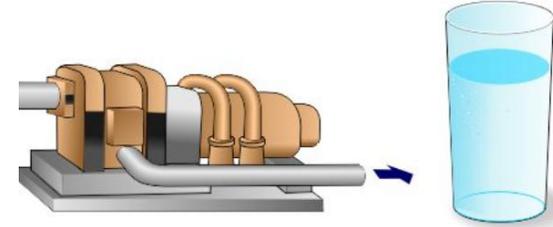

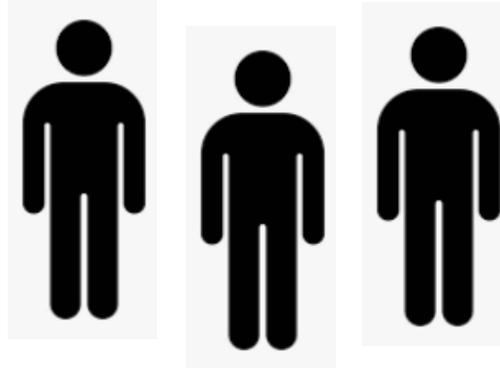

Preparedness at the Stockholm City Food Control

- Approx. 8 500 registered businesses and 45 inspectors.
- Contingency plans before & after 2023

Where to start?

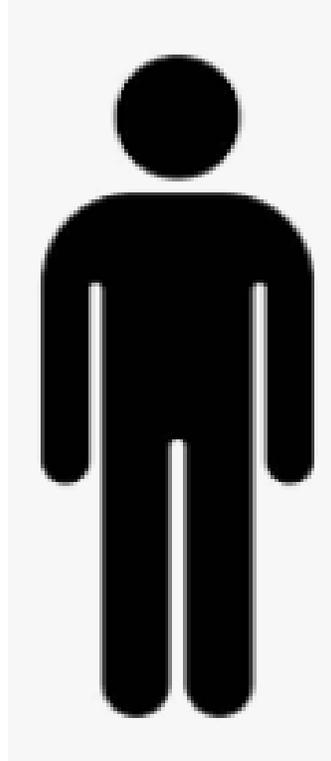

Preparation – a help during crisis

- List of registered establishments, without electricity & IT
- Checklists and templates for control and sanctions (focus risk)
- Temporary case management system
- Prepared announcements

Important to remember

Tack!
