#### IV. Certification

The undersigned official inspector hereby certifies that:

1. The aquaculture farm of origin is authorised approved and registered by the competent authority in Norway in accordance with Regulation (EU) 2016/429, as amended, and regularly inspected by the competent authority.
2. The products forming the consignment belonging to the species susceptible Infectious Hematopoietic Necrosis (IHN), Viral Hemorrhagic Septicemia (VHS) and Gyrodactylus salaris, but they originate from the aquaculture establishment which is under the supervision of the competent authority. The eyed eggs derive from a zone or from an aquaculture farm which in the last 24 months, has not been subject to outbreaks and/or restrictions of diseases laid down in (EU) 2018/1629.
3. The products have not been in contact with other live aquatic animals, eggs or gametes of a lower health status.
4. The products are not intended for destruction or slaughter for the eradication of diseases listed (EU) 2018/1629
5. The products do not originate from a farm subject to any prohibition for animal health reasons.
6. No unexplained mortality has been reported during the last three months at the farm of origin, broodstock sited and hatchery.
