#### IV. Attestation

The undersigned official inspector hereby certifies that:

- 1. The bottled water is recognized as Spring Water, Natural Water or Drinking Water (Potable Water) according to relevant Norwegian regulations:
  - Norwegian regulation of 4 October 2004 no. 1316 for natural mineral water and spring water or;
  - Norwegian regulation of 22 December 2016 no. 1868 for drinking water.

The Regulations are equivalent to the European Community directives relating to the exploitation and marketing of natural mineral water (directive 2009/54/EEC) and on the quality of water intended for human consumption (directive 98/83/EC).

Spring water produced for export to countries outside of the EC/EEA have to be in compliance with the Norwegian regulation relating to natural mineral water and spring water as set forth above unless otherwise required by law or regulations of the importing country.
