### Information concerning further procedures

The Norwegian Food Safety Authority will determine which actions to undertake. The decision will be made in accordance with the Pet Regulations, Section 11; see Regulation (EU) no. 576/2013, Article 35. If possible, the Norwegian Food Safety Authority shall take account of the wishes of the owner/person responsible for the animal(s).

Depending on the situation, the decision will be made by the regional Norwegian Food Safety Authority or by the Norwegian Food Safety Authority's emergency response officers (if required outside of working hours).

Inquiries regarding the processing of cases by the Norwegian Food Safety Authority should be directed to the Norwegian Food Safety Authority.
